Emergency Contact Number:

All children's school holiday activities will take place under cover should there be wet weather or hot conditions.

The children's holiday session size is minimum 5 children and will be cancelled if there are insufficient children, so bring along a friend to join as well. If cancelled, you will be notified by phone as soon as possible. A credit note or refund cheque will be issued, you must keep your receipts.

Holiday activities are for school age children from 6-16 years of age. Younger students may attend some art classes and workshops with gallery management approval. Children who are not already attending school need to have parent supervision.

Children will be supervised, however no responsibility can be taken for children leaving the premises or failing to comply with instructions. All care is taken but Gosford City Council accepts no responsibility for any accident, loss or injury suffered by children during the course of activity. Should at any time the tutor or Gallery staff consider a child requires medical or hospital treatment. This treatment will be obtained at the parent or guardian's expense.
